A Message from GO Riteway

GO Riteway has grown from providing transportation services to one school district in Germantown, WI to serving over 40 school districts and transportation needs in various divisions: School Bus, Motorcoach, Charter, and Commercial Services throughout the Midwest.

The Diamond Club was established to recognize and honor employees who have been part of the transportation community for ten years and more. Each person listed here has contributed to our story and growth through the service and support they have provided.

Thank you and congratulations to each of you for making a positive difference in your community through your daily commitment to our core values of Safety, Integrity, and Teamwork.

The Bast Family: Ron, Rochelle, Wendy, RJ, and Kaylee
