

Meet some of our Diamond Club Members

21 YEARS

Patty Raschig joined GO Riteway 21 years ago as a referral by her late husband Mike, who was a mechanic at our Milwaukee terminal. As Operations Manager at our Richfield location, which services the Germantown School District, she truly goes the Extra Mile for her drivers and the community that they serve. She creates an environment that encourages everyone to work together. She is creative and is the party planner extraordinaire for making her terminal events and special weeks fun for her drivers and terminal staff. Her big heart and care for people encourages all to do the best they can every day. She embodies GO Riteway's core values of Safety-Integrity-Teamwork.

12 YEARS

George Etherington started driving for Middlebury in 2013 as a Full Time driver. He has made countless trips to Washington DC and has been a valuable driver for any group that he is assigned to. He is often a requested driver for our repeat customers. He prides himself on being on-time, well dressed, and ready for his trip. As our motor coach world has evolved into all things electronic, George has adapted and kept up with the latest technology. Only recently has he moved to Part Time status so he can spend more time with his wife and grandkids.

10 YEARS

Rob Cook has been an invaluable asset to our team at Oak Creek/Franklin. With a decade of dedicated service, Rob's transition to Operations Assistant has further showcased his commitment to excellence. His military background enhances his leadership skills, as he effectively oversees our team of 7 drivers at the Franklin terminal. Rob's diligence in managing operations, driving, a trainer for 10th and Franklin, a trainer for motor coach, ensuring a tidy environment, and facilitating smooth daily processes is commendable. It is gratifying to have the opportunity to collaborate with such a passionate and driven professional.

11 YEARS

Juan Llaurador has been a dedicated school bus Technician at GO Riteway's Milwaukee terminal since 2014, ensuring the fleet operates safely and reliably. Beyond his mechanic duties, he also steps in to drive routes when necessary, showing his flexibility and commitment to the team. His reliability, strong work ethic, and willingness to help have earned him the respect of his peers. We are grateful for Juan Llaurador's 10 years of hard work and dedication, and we truly value his contributions to the continued success of our operations.

17 YEARS

Robert Hartley began driving for GO Riteway 17 years ago in Dec 2007. Bob drives for the Portage Community School District and has driven the same, more challenging route as it has some very hilly, windy roads with steep drop-offs which can be tricky in the winter time. Bob takes safety very seriously and the students/families on his bus route know they are safe with him driving. He knows all his students by name as well as a lot of the parents. He is well liked and respected by his students, parents, coworkers and the Portage school district staff members at each of the schools. Bob is always here, never misses work, and is always willing to lend a hand whenever needed. Bob likes to show his fellow co-workers card tricks whenever he has the chance. Bob tells stories of his younger years and always makes everyone laugh.

13 YEARS

Joe Tracy has been a dedicated member of GO Riteway in Milton for 13 years, always with a trusty Kwik Trip Big Buddy drink in hand. The running joke is that if he ever shows up without one, something is bound to go wrong with his route. Over the years, Joe has taken on multiple roles, first as a reliable driver and later as a route driver. He never hesitates to jump in and cover a route when needed. He also loved driving charters, but unfortunately had to give them up due to hour restrictions-a decision that truly broke his heart. Joe is known for his kindness and easygoing nature; with both his fellow drivers and the kids he transports. He's the kind of person who makes the job better for everyone around him and GO Riteway Milton is lucky to have him.

Meet some of our Diamond Club Members

16 YEARS

Since 2009, **Robin Polston** has been a dedicated and consistent school bus driver for the Cedarburg Terminal, ensuring that students' commutes are safe, reliable, and filled with care. For over a decade, Robin has built a strong reputation as a professional, who is trusted by her students, their parents, and colleagues alike. Outside of her essential role as a bus driver, Robin is often seen crocheting at the Cedarburg Terminal, adding a personal touch of warmth and creativity to her days. Her craft has become a symbol of her calming, steady presence within the Cedarburg Terminal. When asked how her day is going, Robin always responds with a cheerful, "Just Peachy!" — a reflection of her positive attitude and warm demeanor that brighten the day for everyone around her. In recognition of her years of dedicated service, professionalism, and the joy that she brings to the Cedarburg community, we celebrate Robin Polston and the lasting impact she has made as a valued member of our team.

24 YEARS

Steven "Sparky" Chadwick has 24 years of driving experience and has been with GO Riteway in the Marshall School District since October 2019. He has seen kids go from K4 – graduation and even inspired one of those students to join our team as a driver in 2024. Sparky drives a dedicated route morning and afternoons, is requested by teams for trips, volunteers to help in emergencies, and never needs to be asked to help others in the terminal. Sparky also works for the school district in the cafeteria, so he is fully emersed with the students daily. He is hard-working, friendly to all, and is deeply valued by all who work with him.

Revised 03-25

A Message from GO Riteway

GO Riteway has grown from providing transportation services to one school district in Germantown, WI to serving over 40 school districts and transportation needs in various divisions: School Bus, Motorcoach, Charter, and Commercial Services throughout the Midwest.

The Diamond Club was established to recognize and honor employees who have been part of the transportation community for ten years and more. Each person listed here has contributed to our story and growth through the service and support they have provided.

Thank you and congratulations to each of you for making a positive difference in your community through your daily commitment to our core values of Safety, Integrity, and Teamwork.

The Bast Family: Ron, Rochelle, Wendy, RJ, and Kaylee

Bob Zanotti, President and CEO
