Marinette Shared Ride Taxi is a shared ride service.

How does shared ride shape my ride?

It may not always be a direct route from your pick up to your destination. To be able to provide the lower pricing, we will string rides together along the way to maximize the efficiency of our vehicles.

How can you plan to arrive with enough time?

Plan ahead whenever you can! Cushioning some time into your ride will reduce the likelihood of you being late to your destination.

Where can I ride to?

You can go anywhere within our service area as long as either the start or the end of the ride is in Marinette. We service the City of Marinette and a 3-miles radius. Rides to Peshtigo are available with an additional fee. Please ask the dispatcher for availability and cost when arranging the ride.
